Intro:

C | G | C | G |

Verse 1: (repeat)

The old has gone - You are making all things new

As You lead - We are standing on Your truth

We will run, we will run with You

For our God, He is on the move

Chorus:

God of breakthrough, we invite You

Have Your way, have Your way

Come and break every chain

Holy Spirit, move in power

Have Your way, in this place

Bring us to life again to lift Your name

Musical interlude:

C | G |

Verse 2:

From my fears and from waters deep
You reach down from on high and rescue me
Now You call every one of us by name
Lead us in-to a spacious place

Chorus:

Bridge: (Repeat)

Speak revival into these dry bones

So they can dance again

Breathe new life into this heart of stone

To beat for You again
