114 bpm - 4/4

*Intro & Tag*

C2 | G | D | Em

C2 | G | D | D

*Verse 1*

                                  G  
There are struggles and trials

          C2  G/B  D  
That I've faced too long

                                  G  
But in the black of the night

          Am7 Em  D  
You give me a song

*Chorus*

          C2                  G                  D                  Em  
And the words are a prayer to the living God, to the living God

          C2                  G                  D  
And the tune strikes a chord in my troubled heart

*Verse 2*

I know that You're near  
Though it's cold and bleak  
Cos in the depth of despair  
Is my deepest need

*Chorus*

And my words are a prayer to the living God, to the living God  
And the tune strikes a chord in my troubled heart  
I lift up my voice to the living God, to the living God  
His praise breaks chains in my troubled heart

Middle 8

Am7 Em  
I'm falling on my knees  
C2 D  
God come and rescue me  
Am7 Em  
Your help is all I need  
C2 D  
All I need  
Am7 Em  
Cos every time I fall  
C2 D  
You pick me up my Lord  
Am7 Em  
You hear me when I call  
C2  
So praise the Lord my soul  
D  
Praise the Lord my soul

Chorus

So lift up your voice to the living God, to the living God  
His praise breaks chains our troubled hearts
