

# There is Hope

## Harrison Pugh

Recorded Key - C  
6/8

*Intro:*

F7 | Am | C | G

*Verse 1:*

          F7          Am  
From the grave you rose  
          C                  G  
From my chains I've been set free  
          F          Am          G  
On the road you took to Cal-va-ry  
          F    Am  
Now my sin is dead  
          C          G  
And my free-dom is won  
          F    Am  
You have spoken life  
          G  
Let it be done

*Chorus:*

Dm    Am  
Je - sus  
                  C  
How sweet is your name  
                  G  
Sweet is your name  
Dm    Am  
Holy Spirit flow  
                  C  
Come have have your way  
                  G  
Come have have your way

Recorded Key - C

*Verse 2:*

          F7                  Am  
Once was dead now is alive  
          C                  G  
Now your Spirit wakens me  
          F7          Am                  G  
And the mountains tremble at your feet  
          F7          Am  
All your days are glor-ious  
          C                  G  
And your ways are so true  
          F7                                  Am  
There's no holding back from your love  
                                  G  
Only light piercing through

*Chorus: [Repeat]*

Dm    Am  
Je - sus  
                                  C  
How sweet is your name  
                                  G  
Sweet is your name  
Dm    Am  
Holy Spirit flow  
                                  C  
Come have have your way  
                                  G  
Come have have your way

*Bridge: [repeat x4]*

          F7                  Am  
There is power in your name  
C                                  G  
Wonder working, wonder working  
          F7                  Am  
There is hope that can save  
C                                  G  
You're resurrecting, resurrecting

*Chorus: [Repeat x2]*
