

# We Look To You

## Ashley Ruth

Recorded Key - C

*Intro:*

C | G | C | G |

*Verse 1:*

I pray for peace which transcends understanding

For faith which holds up through the fire

I pray for courage to battle and be left standing

To trust you Lord is my desire

*Verse 2:*

I pray for strength to run with endurance

To finish this race till the end

I pray for help to love others because you first loved me

Jesus, to call you my friend

*Chorus:*

We look to You! You're the only One who  
Can redeem our souls, and bring us home to You!

*Verse 3:*

I pray your spirit would fill me to overflowing

For eyes to see and ears to hear

I pray for wisdom to know when to speak or keep silent

Jesus, to know You are near!
