Verse 1:

Bb F
Here I am use me
F/A Bb Gm⁷ C^{sus4} C
I've said it before but it's not always how I live

Change me and my priorities
Gm⁷ C^{sus4} C
All I am I gladly give

Bb F/A
Lead me in the way everlasting

I'm casting off the things that have no worth
F/A Bb F/A Dm⁷
Take my eyes off everything distracting
Gm⁷ C F Gm⁷ F/A
Jesus fill my vision here on earth

Verse 2:

The old is crucified
I no longer live; my life is now hidden in Christ
Mould me, reveal your glory
Through this living sacrifice

Bridge:

Bb F/A
All the riches of this world
Gm⁷
All the treasures I once loved
C^{sus4}
They are empty and so dull
C F/A Bb
When compared to you my God

Fleeting pleasures lose their hold
All the finite things of earth
Now discarded for the goal
Of Your all-surpassing worth
