

You Are My Home

Revolution Cry feat. Judah Dwight

Recorded Key - C

Verse:

C F
Flying, flying my way back home again
Am
Longing to see the winds change
F C
Drifting back to the shore
C F
Trying, I'm trying to dream in the darkness
Am
Closing my eyes just to reach You
F
Silent again so it seems

Pre Chorus

Am C
And when in the night of my lonely fears
F
I know You will work it out
Am F
And then as the calm of a thousand tears
G
You heal in the pouring rain

Chorus:

C G Am F
I will not die, and I cannot falter
3m F C G
With the courage of a King carrying my heart
C G Am F
And I shall not want, nor will I hunger
Em F C
For You have shown this child the way to life evermore
F
You are my home

Verse:

Lighting, You're lighting a fire in the evening
Warm as the hands of Your healing
Sweet as the early bird song
Fading, I'm fading away in the half lights
Sleeping in peace on the cool grass
Waiting for morning in spring
