Verse 1

F F/A Csus4 C Dm7 B_bsus2
As a child I was abandoned, in this world I was alone

F F/A Csus4 C Dm7 B_bsus2
But you found me and you clothed me, and embraced me as your own

F Csus4 C Dm7 B_b
You released me from my captors, you desired to set me free

F Csus4 C Dm7 B_b
You led me through the desert, you have parted seas for me

F C Dm7 B_bsus2
And I looked on in wonder, at each and every sign

B_b F C Dm
You spoke to me your promise; I am yours and you are mine.

B_b F C F
You spoke to me your promise; I am yours and you are mine.

Chorus

B_b F C Dm7
I am yours, you are mine. I am yours, you are mine.

B_b F C F5
I am yours, you are mine. I am yours, you are mine.

Verse 2

As we journeyed through the desert, we were walking hand in hand
Every step moving forward, heading for the promised land
But as dunes are always shifting, so my feet began to stray
You called me from the mountain, but I turned my face away
You let me choose my future; a broken story line
But still there is a promise; I am yours and you are mine [x2]

Verse 3

Then my days returned to darkness, but your love remained the same
Ever watching from a distance, ever calling out my name
But the only way to save me, was to pay for my release
No matter what it cost You, for your love could never cease
And we will be together; but 'til it comes that time
I'm holding to the promise; I am yours and you are mine [x2]
