God of the Little Things

Recorded Key - C

Oh, You formed the stars when You spoke

Mountains smoke at Your touch

It's incredible to think

You're still the God of these little things

Verse 2:

Open up your ears
You slow of hearing
The aspens clap the rivers roar the winds they whistle
As all creation sings encore, encore, encore
The Painter lays His brush
And the cloud proclaim His touch

Chorus:

Oh, You know the hairs on my head

You number my tears

I look to painted butterfly wings

And know Your God of the little things

Every tear wiped

Every wrong made right

Every fear erased

In never ending grace

Disappointments gone

Mistakes all redeemed

My all sufficient God

You will not miss a thing
