

Come to Him

Chance Greer

Intro

A / E / F#m / Bm / Eadd9

Verse 1

Are you lost and insecure a wandering soul
Oh, the Father loves you more than you'll ever know
So, seek and find and come recline
In the arms of a God who gave His very life
To hold you close

Chorus

If you're weary and laden with heaviness
Buried by the burdensome weight of your own sin
If you're looking for shelter or a place you can rest
Jesus welcomes you home once again
Yeah, He welcomes you home come to Him

Verse 2

Are you longing for release A break from sin's hold
Are you finally on your knees With hope against hope
Pray for relief And let grace redeem
to the hands of a God Who holds the only keys
To save your soul

Bm	Eadd9	F#m	D
So when your feeling all alone		like you could never come back home	
Bm	Eadd9	F#m	D
A prodigal who's spent it all		to try and do it on your own	
Bm	Eadd9	F#m	D
He's about to give you rest		just run into His arms again	
Am	Eadd9	A	D
The table here for you is set		with sweet forgiveness
