ARMOUR OF WORSHIP

The Way, The Truth, The Life

F#m13

Creating my future preventing my fall,

Gadd2

Yet I didn't notice your love for me,

Aadd4

The fights you won that I couldn't see,

Bm7

You never gave up even though I ran,

Dmaj(octave)

Away from the light into the shadow's hands,

Aadd4

The words I called you, yet deny your name,

War death and hate,

Bm7 Aadd4 Em11

You were who we used to blame,

No hunger that you wouldn't feed,

F#m13

Physical or emotional need,

Gadd2

You said I'll fill your cup until it overflows,

Aadd4

I'll cry a flood until your desert is cold,

Bm7

Then I'll walk on water, reach out my hand,

Dmaj(octave)

And save your soul, reclaim my holy land,

Aadd4

I'll walk by your side the rest of your life,

Bm7 Aadd4

And through any darkness I'll shine a light,

ARMOUR OF WORSHIP

The Way, The Truth, The Life

Verse 2:

Create another string on cupid's bow,
Coz I don't need to cry to love songs on the radio,
Now I got you, the beat of my heart,
Yeah I've got you coz you set me apart,
Can we separate the spirit from the mind,
And take to me a place where the heavens and the earth collide,
God heal me like you did last night,
You revealed hidden strength in me to fight,
Just like david and goliath darkness will fall,
To glorify your kindgom, lion of Juda roars,
Angels light up the night sky with praise,
You tear down the lie break free my chains,
You move the mountains and calm the storm,
Breathe life in me now i'm reborn,
Though you made the sunset we only see the rain,
I reject my own heart but you still love me the same,

Chorus B:

Lets take it back to how we met that day,
I never felt so complete,
I know that you're the only way, the truth and the life,
Yeah I got you and you got me,
Lets take it back to how we met that day,
I never felt so complete,
I know that you're the only way, the truth and the life,
To my heart beat and my heart beats for only you,

ARMOUR OF WORSHIP

The Way, The Truth, The Life

Verse 3:

Bm7

I could run like bolt but you'd still catch up,

Aadd4 Gadd2

And take over 'till I refuse to combust,

Coz darkness can run but it can't hide,

Bm7

Light be a detective arrest the night,

With the stars bind my heart,

'Til it renews and freedom starts,

Aadd4

Yeah he out runs any professor,

Knighthood noble prize successor,

Bm7

Grammy, oscar, tour de france,

Aadd4

Olympic worlds fastest man,

Gadd2

Everest or ocean swim,

Man can try but he can't win,

Bm7

Hawking, flag, president or queen,

Aadd4

Could never rule the kingdom waiting for me,

Gadd2

The best thing in life just happened to me,

God gave me freedom and blessed my dream,

Gadd2

And my heart beats for only you,
