What does that make me, the one who stands between help and those in need

HOME GROWN

Let it flow through the gates of my heart

C G

And overflow, over flow into the chasm of a lost soul

C

I am done

Em G

I give up my life and lay it down for Another

C

Cause He died for me

G

His compassion fills these streams

Verse 2:

(Repeat Verse 1 Chords)

I held my breath and I bit my tongue as the trickle began to grow

Your water ran like a medicine to the land that lay below

I hide my tears, I'm fearful don't you know

But flower bloomed and green trees grew and much to my surprise

Your water never dipped or ran low and it never will run dry

What does that make me, nothing less than a vessel of God
